PETIT

COLLECTION

PETIT COLLECTION

“Enjoy the little things in life”, or rather: “Enjoy small kitchen appliances!” The innovative Petit Collection by Swiss Home brings energy saving and efficient use closer to all consumers by means of much more compact small electronic appliances.

Energy saving and space saving are two fundamental pillars in this great collection, managing to meet the everyday needs of many households.

Experience cooking from the perspective of efficiency. Frying, whisking, boiling, squeezing and baking... will become very simple tasks with a guaranteed success!
